Track Torn Up by Explosion. Special to the Indianapolis Journal.

LAWRENCEBURG, Ind., March 12 .- An explosion occurred on the Big Four excavating work near Manchester station this morning about 9 o'clock. An extra heavy charge of blasting powder was placed in the hillside near the main track, and instead of shattering the bank, as was intended, it kicked backward and tore up the track. The line was so badly twisted that all traffic was delayed four hours. No one was injured, though there were many narrow escapes.

OF EMBEZZLEMENT Curtis Williams, a young man living at 1018 Keystone avenue, and employed by A. Martin, causing a wound that may prove J. Riley in the Board of Trade building, was arrested by Detectives Haley and Splan last night, accused of embezzling \$200 from his employer. It is said that Williams took the money last Tuesday and went to St. Louis, but was unable to stay away and

came back last night, when he was captured by the officers. Williams says that he was engaged by Riley to conduct the business under the firm name of C. E. Williams & Co., for which he was to receive \$15 a week salary and one-half of the profits. On last Monday he received a check for \$1,000 made payable to him. WHAT GAME OF A LETTER. My Dear Aunt Kate: I must tell you the good news. Right after receiving your letter, the day before New Year's I started in with new resolutions on the first of the year. I wrote to Dr. R. V. Pierce, at Buffalo, N. Y., as you requested me to do. I gave him all my symptoms, which were that I was tiredso tired-all the time and did not care to go anywhere, depressed and sad, and all ambition gone, backache and a dragged-out feeling, could not sleep, limbs feeling sore and aching. I followed the doctor's advice, which he went to considerable pains to make plain to me-to rest every day-a nap after lunch-complete relaxation-cultivate repose of mind, try not to worry, get as much outdoor air as possible, and practice long, deep breathing, expanding the lungs. Then for a uterine tonic, Dr. Pierce's Pavorite Prescription, coupled with a wash he told me of. I must say that after following his advice for four months I feel perfectly cured and like a new woman.

Yours affectionally, JEWEL. Letters like the above are not unusual. Mrs. Kooman, of 832 Grant Ave., Schenectady, N. Y., says: "I continued with the medicine until I had taken five botiles, also two vials of the 'Pleasant Pellets,' and I was cured. I always recommend Dr. Pierce's medicines to my friends when they are not well." "My daughter is in quite good health, thanks to Dr. Pierce's medicines. My wishes are that

all who are afflicted will try them and see what good can be done for the sick," writes Mrs. Elizabeth McConell, of Rochester, Ind. Send u one-cent stamps to Dr. R. V. Pierce, Buffalo, N. Y., for his Common
